2010 Heartland Youth Rally

We are excited to host the Heartland Youth Rally again this year. We have a lot of fun and encouraging things planned. This will be a great year as we talk about having a dream again for our lives and a dream for what God can do in the

Youth Ministry. We have some great classes lined up and a fun night planned at Pure Entertainment of Wichita. This event has always been a great time for the church, not just the youth ministry. We are grateful for all the ways the

church has stepped up and helped out with whatever the need has been. We anticipate that this will be the heart this year, as well. This is going to be a great kickoff to a great year for the Youth & Family Ministry.
